March 16, 2020

To Our Summit Speech School Community,

We have conferred with our local Department of Health and following Governor Murphy's orders, we will be closed starting Wednesday, 3/18/20. Our Itinerant Mainstream Support teachers and Preschool staff have been very busy preparing activities, packets and gathering educational material for our students and their families. Our at-home learning contingency plan will go into effect on 3/18.

For our Early Intervention families, our Parent Infant Program remains open. Please communicate with your practitioner, however, if you have any changes in your family's health status. Our practitioners will do the same.

Our concern for our students' and staff members' health remains our top priority. We encourage everyone to follow the guidelines set by the Department of Health and we will continue to communicate any new information.

We appreciate your cooperation and understanding during these challenging times.

A handwritten signature in cursive script that reads 'Mary Baumont'.
