

Dear Alumni, Parents and Friends of Summit Speech School,

During the unprecedented national health situation with COVID-19, we hope that you and your family members are staying healthy and managing as best you can.

Our preschool is officially closed and our teachers are working very hard to provide at home services to our students. We are still here to support our families and are staying in contact with them on a regular basis. There is a small staff of office workers coming in for limited hours each day. Feel free to call or email us with any questions regarding our ongoing services.

As supporters of the School, we would like you to know that we are working on an alternative celebration to our 30th Annual Spring Benefit that was scheduled for April 28th at Canoe Brook Country Club. Please stay tuned for another communication via email and posts to our web site and social media.

We thank all of those who already committed to sponsorship, donated prizes for our auction, and purchased tickets and journal ads. Please know how much we value your friendship. We will communicate with all of you individually in the coming days, if we have not already spoken with you.

We wish for continued good health to all.

Summit Speech School
