

## Preschool Updates

Dear Families, Friends and Donors,

The Summit Speech School is excited to announce that we will be opening our preschool doors for all of our preschool students on September 2. Our planning committee has worked tirelessly these past months to provide a plan that offers our students the best possible services while maintaining health and safety. Please take a look at our reopening power point to see what the first day of school will look like for your child.

Our hybrid program for September will offer therapies and Teacher of the Deaf services to be delivered in person, 8:30-12:15, Monday through Friday. Pre-academic skills sessions will be held in person during morning hours as well as remotely in the afternoons. This schedule will allow our students a daily routine while also ensuring that rooms are cleaned and prepped for the following day. Families also have the option of maintaining virtual services upon request. See our attached reopening plans for more details.

We are looking forward to the start of a new school year and seeing our students in person once again. Please feel free to contact us with any questions or concerns you may have. We are always here to help!

Best Regards,

Mary Baumont  
Executive Director
