

We are currently seeking a full-time Speech and Language Pathologist to join our Preschool team.

Summit Speech School is a nonprofit organization (established in 1967) that provides services for students that have hearing loss. We serve students in three programs: Early Intervention, Preschool (Approved Private School for Students with Disabilities) and Itinerant Services.

Our students utilize hearing technologies (cochlear implants, baha(s), and hearing aids) to speak and listen; our approach is exclusively Listening and Spoken Language.

Our state of the art facility is located in New Providence, NJ. All classrooms and speech rooms have an observation booth. We also have an audiology booth and a full-time Educational Audiologist.

If you join our team you will be surrounded by passionate educators committed to having a positive impact on children and families. You will be supported and enjoy coming to work everyday. Many of our staff members have been with us for more than 20 years!
